

What is the HUMANE TEEN CLUB?

The Humane Teen Club is for teens aged 13 to 17 who have a passion and interest for learning about animal welfare and companionship. The program focuses on engaging teens to learn about the field of animal welfare, becoming responsible Humane Society of Northeast Georgia representatives and volunteers. The goals and objectives of the Humane Teen Club are as follows:

- ❑ To develop leadership skills and a service ethic in a non-profit environment
- ❑ To celebrate and explore the power of animal companionship, and explore the field of animal welfare
- ❑ To learn current best practices in companion animal care and training

The Humane Teen Club meets for two hours a month with a 15-hour community service project and is a combination of hands on activities, classroom, and outside service learning. While a majority of the activates in the Humane Teen Club include hands-on interaction with animals, it is import to us that young people have a safe and fun experience with our Humane Society animals. All animal interactions will be structured and supervised and will often include pets that have been behavior and temperament tested.
